RAMESH MURMU

Teliavasajr. High School

AT- Teliavasap.o- Ranga , Baghmundi, purulia(W.B)

Pin code- 723152

Background :- A small village Mamudi surrounded by forest where Ramesh lives. It is located in purulia at Ajodhya pahar area . His father is a farmer . Ramesh's family is very poor family but His father Chandramahan Murmu and his family remember any time for Ramesh's Education part . However , due to poverty they face many problems .

Intervention :- In 2021 Ramesh got admission Teliavasajr. High School in Class five . From childhood he run his Education in Government Primary School – Teliavasa primary school . He faced many problems for attending school every day for their poor situation and communication system . His father is a farmer and with run a small grocery shop to maintain his family . They are three brothers and one sister. Firstly , Ramesh was not a good boy as education part but after his student friendly social demeanor has won everyone's heart and this behavior will help him to go to better place in his life . He likes Bengali subject so he likes to read stories , poems , dramas , novels and various types of poet and writer's life stories . He Loves football to keep fit his body . Also he obey all peoples for his good character.

Outcome :-Now , Ramesh reads in class eight and he is good in his studies . He dreams become a teacher in future . Teaching behavior seen in him from that time . He want to move forward society in terms of education . Teachers and madams also helping him to success for his good behavior .

LAKHAN SING MURA

Teliavasajr. High School

AT- Teliavasap.o- Ranga , Baghmundi, purulia(W.B)

Pin code- 723152

BACKGROUND :-Lakhan from Hensadi . it is at Ajodhya pahar forest area in purulia District . In their family total five members live togetherly , Lakhan and his two brothers and parents. Father Somchand Sing Mura also poor but good person . Although , parent don't study much but they keep interest on education for their child . Farming is the main sources of Earning . so , their family is poor but good .

INTERVENTION :- Lakhan got admission Teliavasajr. high school in 2023 in class five and continue studying here . Firstly he used to go to ICDS center like other childrens . After ICDS he got admission Hensadai primary school , That time he did not know what is education and why I need education ? Father not gave actually attention to study but when he known chandanis good in reading then he start to help him anyway. Fortunately, how he know he need to learn ? Now he live in Hostel Teliavasajr. High School Residential Boy's Hostel and from here he get chance to run his study with no hitch . If He not in Hostel , it might not be possible to study easily for . Now he can foccus on his study. In School Lakhan is good boy as reading , writing and also many work . some time he likes to singing Santali song . Geography is his best subject . He get help from teachera and madams for his good character. He likes to play football and cricket .

OUTCOME :-He studying in class seven . Hoping he can go a better place in future life . In future he want to be a Teacher . He chosen this for forwarding education part in social .

NAGEN SOREN

Teliavasajr. High School

AT- Teliavasap.o- Ranga , Baghmundi, purulia(W.B)

Pin code- 723152

BACKGROUND :-Nagen from very poor family . His father is farmer and mother housewife . She takes care home work for all family . They are five members in his family , parent , three sisters and self . No any bad remark his family in social . His father could not provide better life for poor situation . His parents both illiterate person but they are good. Father's Earning not sufficient to maintain family's need .

INTERVENTION :- -Nagen studies from alower class poor family . His parent both illiterate . They trying to give all opportunity to study him . His father's income is very low so it effect on -Nagen 's study . -Nagen is very stubborn . So , in any situation he want to continue for his duty. He Loves to help other student . An example- he helped one time a crying boy who need food when he was very hungry . He is from local forest village area so he got low opportunity to study. Now he is living in hostel and all problems he overcome by his hard work. He got admission Teliavasajr. high school on 2024 and continue studying in this school in class six . Before came this school he was not good in education and after admission he studying joyfully with all friends . He loves science subject and to be continue higher class . Have many example that's proving he want to be a good Doctor . For fitness teacher advised to play football and he obey all advise which sir tell him . From parents and Teachers all hopping he can be a good doctor and also own his mind he want to be a good doctor for help peoples who are not able to treatment properly .

OUTCOME :- As result from above data he want to continue study higher level in any situation . For proverty situation , if he get opportunity from government he sure get success in his life . Finaly , He want to be a good Doctor . He can motive other student to be a doctor.
